## OUR MISSION

Nova Electric LLC is a fully licensed and insured electrical contractor, located in the heart of Manhattan in New York City. We directly employ our workforce which enables us to control the quality, timeliness and cost-effectiveness of our projects. Specializing in commercial, retail and office spaces, we offer a well-organized, well-equipped, and highly professional approach to our projects. Working together, we deliver on our promise to be the best at what we do – in the office and on the jobsite.

At Nova Electric LLC, we strive to meet or exceed our client's expectations and unique requests. We pride ourselves as a company that can successfully complete any job on time with a proven track record of efficiency, quality and innovation.

Our capabilities include working on multiple projects in multiple locations, easily catering to the different needs of our customers while adhering to the specific requirements of each project.
